

Body Attack Sports Nutrition: Premium quality since 1994!

Body Attack GmbH & Co KG is a manufacturer and distributor of nutritional supplements and diet products with a focus on sports nutrition since 1994. We support Olympic athletes, who have chosen us because they can trust in our safety and reliance and therefore have been with us for a long time. Our **products are manufactured in accordance to the requirements of the Lebensmittel-Futtermittelgesetzbuch LFGB**, the German Food Feed Code, which in turn complies with the quality standards (Good Manufacturing Practice, Hazard Analysis and Critical Control Point) and the **DIN EN ISO 9001** norm.

According to the mentioned legislation and our manufacturing, the **products are prohibited to pose a danger to health**. This includes pharmacological substances as well as doping relevant substances, which are published annually on the updated doping list of NADA (Nationale Anti-Doping Agentur) und WADA (World Anti-Doping Agency). Additionally only raw materials and additives which are admissible for conventional food production are used in the manufacturing process. Our quality management guarantees that **no doping relevant substances are used** or processed in the manufacturing of Body Attack products.
